Watch this ted Talk with subtitles and summarize the main points of the Talk in writing and send me.

Love, trust and marketing in the age of AI

AI helps human, processing be faster and more cheaper in recent years. AI can be used in different fields in recent years. Even AI help to connect customer and make them back and buy us again and gain!

In marketing these step is happend for customer to buy a product:

- Awareness
- Interest
- Desire
- Action

We should make customer engaging with our brand. How we can make customer to fascinate our brand, products? We should remind triangular theory of love. Be careful It is complete different love affair!

- Intimacy
- Passion
- commitment
